MANAGEMENT PROXY CIRCULAR AS AT AND DATED JUNE 10, 2014

(unless otherwise indicated)

GENERAL PROXY INFORMATION

Solicitation of Proxies

This Management Proxy Circular ("Circular") is being furnished to the shareholders of **GORDON CREEK ENERGY INC.** (the "Company") in connection with the solicitation of proxies by management of the Company for use at the Annual Meeting of the shareholders of the Company (the "Meeting") to be held at 11:00 a.m. (Vancouver time) on July 21, 2014, in the Boardroom at 401 – 533 Smithe Street, Vancouver, British Columbia, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Meeting.

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone or electronic communication by the directors, officers and regular employees of the Company without special compensation. All costs of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxyholder

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Those shareholders so desiring may be represented by proxy at the Meeting. The persons named in the form of proxy accompanying this Circular are directors and/or officers of the Company ("Management Appointees"). **A shareholder has the right to appoint a person or company (who need not be a shareholder) to attend and act on the shareholder's behalf at the Meeting other than the Management Appointees.** To exercise this right, the shareholder must either insert the name of the desired person in the blank space provided in the form of proxy accompanying this Circular and strike out the names of the Management Appointees or submit another proper form of proxy.

NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on the records of the Company ("registered shareholders") or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are not registered shareholders because the shares they own are not registered in their names. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares including, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESP's and similar plans; or (b) in the name of a clearing agency (such as The

Canadian Depository for Securities Limited (“CDS”), of which the Intermediary is a participant. In accordance with current securities regulatory policy, the Company has distributed copies of the Notice of Meeting, this Circular and the form of proxy accompanying this Circular (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries.

Current securities regulatory policy requires Intermediaries to forward the Meeting Materials to, and to seek voting instructions from, Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **submit it to the Company, c/o Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, fax number: 1 (866) 249-7775;** or
- (b) more typically, be given a voting instruction or proxy authorization form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions that contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company or otherwise communicate voting instructions to the Intermediary or its service company (by way of telephone or the internet, for example), in accordance with the instructions of the Intermediary or its service company.

Non-Registered Holders cannot use a proxy authorization form to vote shares directly at the Meeting.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares that they beneficially own.

The Meeting Materials are being sent to both registered and non-registered owners of shares. If you are a Non-Registered Holder and the Company or its agent has sent the Meeting Materials directly to you, as a non-objecting beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding shares on your behalf. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding shares on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Management of the Company does not intend to pay for Intermediaries to forward to objecting beneficial owners under NI 54-101 the Meeting Materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*, and, in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the Meeting Materials unless the objecting beneficial owner’s Intermediary assumes the cost of delivery. **Non-Registered Holders cannot be recognized at the Meeting for purposes of voting their shares in person or by way of depositing a form of proxy.** If you are a Non-Registered Holder and wish to vote in person at the Meeting, please see the voting instructions you received or contact your Intermediary well in advance of the Meeting to determine how you can do so.

Non-Registered Holders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their shares voted at the Meeting.

Deposit of Proxies

The instrument of proxy must be dated and signed and, together with the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, deposited either at the office of Computershare Investor Services Inc. Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, fax number: 1 (866) 249-7775, not less than 48 hours, Saturdays, Sundays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment or postponement thereof or with the Chairman of the Meeting prior to the commencement of the Meeting or any adjourned or postponed meeting.

Revocation of Proxies

Pursuant to Section 148(4) of the *Canada Business Corporations Act* (the "Act"), a shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing and delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner permitted by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Only registered shareholders have the right to revoke a proxy. A Non-Registered Holder may revoke a proxy authorization form or a waiver of the right to receive Meeting Materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of proxy authorization form or of a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary at least 7 days prior to the Meeting.

Exercise of Discretion

Shares represented by proxies may be voted by the proxyholder on a show of hands, except where the proxyholder has conflicting instructions from more than one shareholder, in which case, such proxyholder will not be entitled to vote on a show of hands. In addition, shares represented by proxies will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for upon demand for a poll by a shareholder or proxyholder present at the Meeting or required because the number of shares represented by proxies that are to be voted against a matter is greater than 5% of the votes attached to all shares that are entitled to be voted and to be represented at the Meeting. In either case, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares shall be voted or withheld from voting in accordance with the specifications so made. **SHARES REPRESENTED BY PROXIES NAMING A MANAGEMENT APPOINTEE AS PROXYHOLDER WILL BE VOTED FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER.**

The form of proxy accompanying this Circular, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations to matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the Management Appointees designated in the form of proxy accompanying this Circular to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

Record Date and Right to Vote

The record date for the determination of shareholders entitled to receive Notice of and to vote at the Meeting has been fixed at June 13, 2014. Every shareholder of record at the close of business on June 13, 2014 will be entitled to vote either in person or by proxy at the Meeting or any adjournment thereof.

Voting Securities and Principal Holders Thereof

As at the date of this Circular, the Company has issued and outstanding 11,836,532 fully paid and non-assessable common shares, each share carrying the right to one vote. The Company has no other class of voting securities.

To the knowledge of the directors and executive officers of the Company as at the date of this Circular, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the outstanding voting rights of the Company, other than the following:

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis ("CD&A") is to provide information about the Company's executive compensation objectives and processes and to discuss compensation decisions relating to its NEOs. The primary goal of the Company's executive compensation program is to attract and retain the key executives necessary for the Company's long term success and to motivate and encourage executives to further development of the Company and its operations. Executive compensation consists of salary, service fees charged by an external management company and long-term incentive stock options.

The Company is an exploration stage company engaged in the acquisition, exploration and development of natural resource properties. The Company has limited cash flows from operations, a situation that may continue until the Company can secure sufficient financing to develop its existing properties. Accordingly, the granting of stock options is an important element of executive compensation which does not require cash disbursement by the Company. In determining compensation with respect to stock option grants, however, the company is cognizant of the TSX Venture Exchange's statement in its Policy 4.4 that: "Incentive Stock Options are a means of rewarding optionees for future services provided to the Issuer. They are not intended as a substitute for salaries or wages, or as a means of compensation for past services rendered." The Board of Directors determines the compensation in the form of stock options to its NEOs, as well as to its directors. Stock options are granted in accordance with the Company's Stock Option Plan at the discretion of the Board of Directors of the Company at an exercise price of not less than the closing price on the TSX Venture Exchange of the common shares on the date of the grant of such options. The Stock Option Plan, which is a "rolling" plan, provides that the aggregate number of common shares subject to options under the Stock Option Plan shall not exceed 10% of the common shares outstanding at the date of the grant of an option. The normal term of the options is 5 years from the date of grant. In the event of resignation or termination of an optionee, such optionee may exercise options held by such optionee for a specified period not to exceed 90 days following the effective date of such resignation or the expiry date, whichever is earlier.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies in Canada. The Company has reviewed its own corporate governance practices in light of these guidelines and as prescribed in National Instrument 58-101, discloses below its corporate governance practices. The Company is a “venture issuer” within the meaning of National Instrument 58-101.

The board of directors of the Company (the “Board”) believes that good corporate governance improves corporate performance and benefits all shareholders. This section sets out the Company’s approach to corporate governance.

1. **Board of Directors** – The Board facilitates its exercise of independent supervision over management by ensuring that a majority of its members are “independent” based upon the tests for independence set forth in section 1.4 of National Instrument 52-110. Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment or is otherwise considered to exist under National Instrument 52-110. The only non-independent directors of the Company, because they are members of management or are considered to be in a material relationship with the Company, are Cameron White who is CEO, David Evans who is the Chairman and Rick Ironside, who is President and COO of the Company.

Management has been delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying out the Company’s business in the ordinary course, evaluating business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions and all debt and equity financing transactions. Through its Audit Committee, the Board examines the effectiveness of the Company’s internal control process.

2. **Directorships** – David Evans is a director of Artisan Energy Corporation, a TSX Venture Exchange listed oil & gas exploration and production company that shares office facilities with the Company in Calgary, Alberta.

3. **Orientation and Continuing Education** – Each new director receives orientation on the Company’s business, current projects, and the industry. Board meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business. The introduction and education process will be reviewed on an annual basis by the Board and will be revised as necessary.

4. **Ethical Business Conduct** – The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Furthermore, the Board promotes fair dealing with all its stakeholders and requires compliance with the laws of each jurisdiction in which it operates.

5. **Nomination of Directors** – The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board’s duties effectively and to maintain a diversity of views and experience. The Board does not have a nominating committee and these functions are currently preformed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

6. **Compensation** – The Company presently does not pay any fees or provide any form of compensation to the members of the board of directors in their capacities as such, other than the grant of incentive stock options. Information regarding the granting of incentive stock options to the members of the Board is contained above under the heading “Director Compensation” which information has been provided in accordance with form NI51-102F6 – Executive Compensation.

7. **Other Board Committees** – The Board has no other committees other than the Audit Committee and the Reserves Committee.

8. **Assessments** – The Board monitors on an ongoing basis the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committee. The Board has not implemented a process for assessing its effectiveness. As a result of the Company’s size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis. The Board does not formally assess the performance of its committees or individual Board members.

AUDIT COMMITTEE

The Audit Committee of the Board of Directors of the Company is comprised of Cameron White, David Evans and Stephen Cheikes. Two of the three Audit Committee members are considered “Independent” and all three are “financially literate” as those terms are defined in National Instrument 52-110. All three members of the Audit Committee have extensive public company experience having served as directors of public companies and/or audit committee members.

A copy of the Audit Committee Charter is attached hereto as Schedule “A”.

The Audit Committee provides review and oversight of the Company’s accounting and financial reporting process, and the audit process, including the selection, oversight and compensation of the Company’s external auditor. Since the commencement of the Company’s most recently completed financial year, the Company’s Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Audit Fees

For the year ended January 31, 2014, the Company’s has accrued \$90,000 for all audit fees and \$10,000 for all non-audit related fees (combined audit and non-audit related fees were \$102,630 for the year ended January 31, 2013).

The Company, as a “venture issuer,” is relying on the exemption in section 6.1 of National Instrument 52-110 *Audit Committees*.

Management proposes that Collins Barrow Calgary LLP ("Collins Barrow") be appointed as Auditors of the Company for the ensuing year. Collins Barrow were appointed as auditors effective October 23, 2012.

2. Election of Directors

Management proposes that the number of directors of the Company for the ensuing year be fixed at 6, subject to such increases as may be permitted by the Articles of the Company.

The term of office of each of the 6 present directors expires at the Meeting. The persons named below will be presented for election at the Meeting as management's nominees and the persons named in the accompanying form of proxy intend to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual meeting of the shareholders of the Company or until his successor is elected or appointed, unless his office is earlier vacated in accordance with the By-laws of the Company, or with the provisions of the Act. No class of shareholders of the Company has the right to elect a specified number of directors or to cumulate their votes with respect to the election of directors. The Articles of the Company provide that the Board of Directors of the Company may appoint one or more directors between annual meetings of shareholders, to hold office for a term expiring not later than the close of the next annual meeting of shareholders, provided the total number of directors so appointed does not exceed one-third the number of directors elected at the last annual meeting of shareholders nor the maximum number of directors set out in the Articles of the Company. The Company does not have an executive committee of its Board of Directors.

The following table sets out the names of the nominees for election as directors, the jurisdiction in which each is ordinarily resident, all offices of the Company now held by each of them, their principal occupations, the period of time for which each has been a director of the Company and the number of common shares of the Company or any of its subsidiaries beneficially owned, controlled or directed, directly or indirectly, by each, as at the date hereof.

3. Annual Ratification of Stock Option Plan

The Company has a Stock Option Plan in place that has been approved by the Company's shareholders (the "**Plan**") and which provides that 10% of the issued and outstanding common shares of the Company on a "rolling" basis are reserved for issuance pursuant to the exercise of options granted under the Plan.

The purpose of the Plan is to provide an incentive to the Company's directors, senior officers, employees and consultants to continue their involvement with the Company, to increase their efforts on the Company's behalf and to attract qualified new directors, senior officers and employees.

The Plan is administered by the Board of Directors of the Company (the "**Board**"). A full copy of the Plan is available to shareholders of the Company upon request and will be available at the Meeting.

The following is a brief description of the principal terms of the Plan, which description is qualified in its entirety by the terms of the Plan:

1. The maximum number of common shares of the Company that may be reserved for issuance pursuant to stock options granted under the Plan shall not exceed 10% of the issued capital of the Company as at the date of the grant of any stock option under the Plan.
2. The exercise price of the stock options, as determined by the Board in its sole discretion, shall not be less than the minimum price permitted by the policies of the TSX Venture Exchange (the "**Exchange**"). The current policies of the Exchange provide that the exercise price for stock options must not be less than the greater of \$0.10 and the last closing price of the Company's shares before the date of grant, less a maximum discount of 25% where the closing price was up to \$0.50, 20% where the closing price was \$0.51 to \$2.00 and 15% where the closing price was above \$2.00, subject to adjustment in the event of a recent share consolidation or announcement of material information.
3. The granting of stock options under the Plan is restricted as follows:
 - (a) The aggregate number of common shares that may be reserved for issuance for a stock option to any one individual in a 12 month period must not exceed 5% of the issued shares of the Company at the time of grant of the stock option;

- (b) The number of options granted to a consultant in a 12 month period must not exceed 2% of the issued shares of the Company at the time of grant of the stock option; and
 - (c) The aggregate number of options granted to employees involved in investor relations activities must not exceed 2% of the issued shares of the Company in any 12 month period, at the time of grant of the stock option.
4. The term of exercise of stock options under the Plan is a maximum of five years from the date of grant provided that in the event of the optionee's death, the exercise period shall not exceed the lesser of one year from the date of the optionee's death and the expiry date of the stock option. In addition, stock options may only be exercised until the earlier of the expiry date and a period of not more than 90 days after the optionee ceases to be a qualified optionee, except in the case of persons providing investor relations activities to the Company where it is limited to the earlier of the expiry date and a period of not more than 30 days after such optionee ceases to be a qualified optionee.
 5. All options shall be non-assignable and non-transferable except as between an optionee and a wholly owned personal corporation, with the consent of the Exchange.
 6. A "disinterested shareholder vote" is required to approve the decrease in the exercise price of stock options previously granted to insiders prior to the exercise of such repriced stock options, or to approve the grant to insiders, within a 12 month period, of a number of options exceeding 10% of the issued common shares of the Company.

Under the policies of the Exchange, "rolling" stock option plans are required to be approved by the shareholders annually. Accordingly, the Company is seeking annual approval by the shareholders of the Plan at the Meeting pursuant to the policies of the Exchange.

At the Meeting therefore, the shareholders of the Company will be asked to pass an ordinary resolution in substantially the following form:

"RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

- (a) the Company's Stock Option Plan previously approved by shareholders is hereby confirmed, ratified and re-approved;
- (b) the Company's directors are hereby authorized until the date of the next annual meeting of shareholders of the Company to grant stock options pursuant to the terms and conditions of the Stock Option Plan entitling the holders to purchase such number of common shares as is equal to up to a maximum of 10% of the issued and outstanding common shares of the Company determined at the time of each grant of stock options; and
- (c) any director or officer of the Company is hereby authorized, for and on behalf of the Company, to execute and deliver all documents and instruments and to take such other actions as such director or officer may determine to be necessary or desirable to implement this ordinary resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions."

In accordance with the terms of the Plan and the policies of the Exchange, amendments to the Plan are subject to acceptance for filing by the Exchange and may be subject to the approval of the Company's shareholders. Under the policies of the Exchange, if the grants of options under the Plan, together with all of the Company's outstanding stock options, could result at any time in:

- a) the number of shares reserved for issuance pursuant to stock options granted to insiders of the Company exceeding 10% of the issued common shares of the Company;
- b) the grant to insiders of the Company, within a 12-month period, of a number of options exceeding 10% of the issued common shares of the Company; or
- c) the issuance to any one optionee, within a 12-month period, of a number of shares exceeding 5% of the issued common shares of the Company;

such shareholder approval must be “disinterested shareholder approval”. As the Plan is limited so as to prevent any of these events from occurring, “disinterested shareholder approval” is not required at this meeting.

The policies of the Exchange and the terms of the Plan also provide that “disinterested shareholder approval” will be required for any agreement to decrease the exercise price of options previously granted to insiders of the Company – no such agreements are being brought before the Meeting.

The term “disinterested shareholder approval” means approval by a majority of the votes cast at the Meeting other than votes attaching to shares of the Company beneficially owned by insiders of the Company to whom options may be granted under the proposed amendment to the Plan and associates of such persons. The term “insiders” is defined in the policies of the Exchange and generally includes directors and senior officers of the Company and its subsidiaries and holders of greater than 10% of the voting securities of the Company. The term “associates” is also defined in the policies of the Exchange.

Unless otherwise directed, the persons named as Management Appointees, if named as proxy, intend to vote in favour of this ordinary resolution. If the Plan is not re-approved by the shareholders, the Company will not be in a position to offer increased incentives to its directors, officers, employees and independent consultants.

PERCENTAGE OF VOTES REQUIRED TO PASS RESOLUTIONS

An ordinary resolution of the shareholders requires an affirmative vote of a majority of the votes cast by the shareholders who voted in respect of that resolution in person or by proxy at the Meeting. A special resolution of the shareholders requires an affirmative vote of not less than 2/3 of the votes cast by the shareholders who voted in respect of that resolution in person or by proxy at the Meeting.

PROPOSALS

March 26, 2015 is the final date by which the Company must receive a proposal for any matter that a person entitled to vote at an annual meeting of the Company proposes to raise at the next annual meeting and have included in the management proxy circular in respect thereof.
